

MANTEMIN 2010

V International Mine Equipment Maintenance Meeting

FIRST ANNOUNCEMENT AND
CALL FOR PAPERS

1 → 3 SEPTEMBER 2010, SHERATON SANTIAGO HOTEL &
CONVENTION CENTER SANTIAGO, CHILE

Improving the Mining Business: Asset Management Optimisation

PARTICIPANTS

The Organising Committee is pleased to invite executives, professionals and technicians involved in the management of mechanical, electrical and instrumentation maintenance of equipment used in underground and surface mines, to participate in the **V INTERNATIONAL MINE EQUIPMENT MAINTENANCE MEETING – MANTEMIN 2010**, to be held on September 1 to 3, 2010, in the Sheraton Santiago Hotel & Convention Center, Chile.

OBJECTIVES

MANTEMIN 2010 is organised to provide a forum for discussion and technical exchange among mine equipment maintenance professionals. The objectives of the meeting are:

- To promote the exchange of knowledge and experiences among executives, professionals and technicians involved in mine equipment maintenance.
- To identify and analyse best maintenance practices as well as the technologies and procedures to achieve them.
- To generate a collaborative network of support and technical exchange among mine equipment maintenance professionals.

ABSTRACT SUBMISSION

Interested professionals are invited to submit a 300-word **abstract** of their paper in Spanish or English by **1 March, 2010** to mantemin@mantemin.cl

The abstract should include a title of no more than 100 characters, full name of the authors, their positions, companies, business address, city, country, telephones (office and cell phone numbers) and e-mail addresses. If accepted, a **full article** 4 to 10 pages long, will be required by **21 April, 2010**. All final papers accepted will appear in the Meeting Proceedings. The technical program will consider oral and poster presentations; the form of presentation for each paper will be decided upon the receipt of its final version. Simultaneous Spanish-English translation will be available during the sessions, thus oral presentations can be given in either language.
